Worldviews and Evangelism

Explore, Understand, Share: Join the "Worldviews and Evangelism" Course

How well do you understand the beliefs shaping the world around you? Are you equipped to confidently and respectfully share your faith in a way that connects with people of different worldviews? Join AIM UK & Ireland for "Worldviews and Evangelism", a course designed to deepen our understanding of global perspectives

The Three Counties Churches of Christ

while strengthening our confidence in the Christian worldview.

This event offers an unparalleled opportunity to grow in your ability to engage the world with Christ's love and truth.

Why This Course Matters

The gospel message remains as powerful as ever, but the cultural and philosophical landscape has shifted dramatically. Understanding the *why* behind people's beliefs is critical to sharing the *what* of the gospel.

This course will help you:

Navigate World Religions: Learn about the core tenets of major world faiths and ancient pagan practices, equipping you to build bridges of understanding.

Engage with Post-Modernism: Grasp the nuances of a worldview that often rejects absolute truth and discover how to challenge its inconsistencies lovingly.

Prepare with Pre-Evangelism: Build trust and create space for meaningful spiritual conversations.

Find Confidence in Christianity: Explore ten compelling reasons the Christian worldview holds up under scrutiny—philosophically, scientifically, and spiritually.

Discuss with Grace: Master the art of respectful dialogue, defending your faith without compromising its integrity.

And more....

Reasons To Consider Attending

Listening and speaking wisely are vital in a world filled with echo chambers. This course doesn't just offer knowledge; it provides inspiration and tools to make a real difference in people's lives. As ambassadors for Christ, we are called to understand the cultures we seek to reach. This course can give you the confidence and clarity to share the gospel effectively in today's complex world.
